Dear Prospective Member:

Thank you for your interest in THE GRAY EAGLES. This is a non-profit, educational and social forum with membership available to anyone (M/F) with a strong interest in military aviation. We are not affiliated with any government or military organization. Our mission is to perpetuate the history, customs, procedures and memory of military aviation in a social setting.

We hold informal meetings each month, at 12 noon on the second Monday of the month, at the Golden Corral Buffet, 4940 Watt Ave. N. Highlands, California. Our board of directors is elected annually by the membership at large, from the membership at large. Our meetings are simple and informative. We usually have a very interesting speaker at each meeting. Outside activities follow the member's suggestions, with avid participation.

We publish a newsletter each month for the information of the members. Input from the members is encouraged.

Our dues are \$15.00 per year, payable with your membership application and then in January of each following year.

I hope you will consider membership in THE GRAY EAGLES, and join us in a very informative and fun venture. We welcome your participation.

For more information call Bob Tharratt, or see www.GrayEagles.net
